great expense incurred by my Agents in publishing the books and the large number of copies presented by them to the various Editors of English papers, &c.

They also sent Presentation copies to Her Majesty the Queen Empress of India, H.R.H. the Prince of Wales, H.R.H. Prince Albert Victor, Others, besides they got up a very handsome Russia bound copy & presented the same to H.R.H. Prince Albert Victor before he left India. I have all their acknowledgments, but nothing more; & beyond being considerably in the bad over the Expenditure I have nothing to show for all my Exertions.

I hoped to have been able to lay the case before the Dewan Bahadur ere this, but his time is so taken up with State matters that I feared to trespass on the same when I was at Ootacamund.

I wish you would mention the matter to him & if the Government could relieve me of the unsold books, it will be doing me a very great kindness.

T. Ananda Rao Esqre.

Chief Secretary to The Dewan of Mysore.

Bangalore.

Sir,

In the course of our conversation about two months ago on the subject of Kheddah Albums, you said you wished to know how many copies of "Elephant Catching in Mysore as witnessed by H.R.H. Prince Albert Victor" still remained on my hands unsold: I have just heard from the Publishers in London, who say there are still one Album and thirteen sets of prints and letter press [which can be bound in any style desired] on their hands.

I am already out of pocket on this venture, and owe the publishers some £50-0-0 still. If The Dewan Bahadur, who has already been so kind and considerate to me, will make an offer for these and give me enough to clear my debt to the publishers, I shall have the Albums bound either in White cloth, or as "Presentation" copies, as he may desire .

I told you I would be glad if you could make me an offer; and if you can even help me towards what I owe on the books, it will be a great kindness. I am already deeply obligated to The Dewan in the matter of these Albums, and it seems as though I wanted to take advantage of his goodness; yet, if he can give me any assistance in clearing off the debt I owe the publishers, I shall feel very grateful.

I am Sir,

Your Obedient Servant.

T. Ananda Row Esqre
Chief Secretary to the Dewan of Mysore
Bangalore.

Sir,

Some time ago you selected a number of Khedda Photographs of my new series, and asked me to submit an estimate for 12. 24 and 36 sets bound in album form complete. This I was unable to do at the time as I found I could not procure the necessary amount of suitable card board out here, nor could the Lawrence Asylum Press

get it for the purpose locally. This necessitated my writing to London for the particulars required, and these are to hand by today's mail. I now beg to give you an Estimate as desired and trust it will meet with your favorable Consideration.

For 12 Albums Containing 42 Khaddah Photos, bound half Round Calico sides, Edges gilt and Title stamped on side of Albums in gilt letters, Complete at Rs 65-- each — Rs780/-

For 24 albums - - -Rs 60-- -- do - - Rs 1440/-

For 36 Albums - Rs 55- -- do - Rs 1980/-

× × ×

Should you decide to take 36 Khaddah and the 25 Cattle albums, I shall give you a further Concession of Rs 250/ on the total sum. It will

not however pay me on a smaller order, and I trust the Dewan will be pleased to sanction the work being carried out. The total cost after deducting Rs 250/- will be Rs 2080/- for the 61 albums containing altogether 2937 Photographs.

I shall be happy to call on you at any time to explain anything further.

I am &c
